

FLA64

DAP

*CAT5 cable extender - compatible
with lockable RJ45 connectors*

DAP

EAN: 8717748611659

The DAP RJ45 Coupler for CAT5 is a reliable solution for extending your CAT5 cable. Engineered for professional use, it supports both standard RJ45 connectors and lockable types such as the Neutrik etherCON and Seetronic Cable Carriers. This ensures a secure, interference-free connection in demanding environments. Housed in a durable aluminium casing, the FLA64 offers long-lasting performance and protection, making it ideal for touring, installations, and other high-stress applications.

Special features:

- Compatible with both lockable and standard RJ45 connectors
- CAT5
- Robust aluminium housing

Specifications:
