Description and identification of Machinery:

Description: Slimline Lightweight Swivel Coupler

Model:- T58098 T58099

SWL: 300Kg

Please note: All parts shown with a SWL are tested under factory conditions in a horizontal plane with the load straight down unless specified otherwise.

For parts used in a different orientation we would strongly advise that they are tested after installation by a competent person & a SWL issued by them.

Always remember - Any rigging product or combination of rigging products is only as strong as its weakest, or lowest SWL rated, parts.

We hereby declare that the above mentioned machinery fulfils all the relevant provisions of EC Directive 2006/42/EC. This declaration relates exclusively to the machinery in the state in which it was placed on the market, and excludes components which are added and/or operations carried out subsequently by the final user.
