

E748014 **Showgear**

40 x 40 cm - 50 mm tube with T-slot

**SHOW
GEAR**

EAN: 8717748614315

The Showgear Base & Truss Mount 40 is a versatile solution for mounting fixtures on the floor or integrating them into truss structures. Measuring 40 x 40 cm and featuring a 50 mm tube with a T-slot, this mount offers exceptional flexibility for theatres, rental setups, and event applications. An M10 bolt or sliding nut fits perfectly into the T-slot, allowing easy attachment of clamps and accessories.

Supplied with Allen bolts and sliding nuts, the Base & Truss Mount 40 can be used as a top bracket for downward truss mounting, installed under a 40 cm square truss to create a suspension point, or mounted on a truss to create a pillar. Equipped with rubber feet to prevent slipping and designed for easy stacking, this mount combines stability, adaptability, and convenience in one compact unit.

Special features:

- Versatile mounting on 40 x 40 cm truss
- T-slot compatible with M10 bolts and sliding nuts
- Can be installed on a 40 cm square truss, for use as a pillar or suspension
- Anti-slip rubber feet
- Easily stackable
