

E820016 **Showgear**

---

*For 24 spigots and 48 pins*

---

**SHOW  
GEAR**

EAN: 8717748609670

The Showgear Rigging Case Top Insert for Pins & Conical Spigots is designed to hold up to 24 spigots and 48 pins, offering a clear and organised solution for rigging setups. Each component has its own designated slot, giving you an instant visual overview - making it easy to spot missing parts before heading out or during teardown. By streamlining your workflow and reducing the risk of forgotten items, this insert saves valuable time and prevents frustration when building or dismantling a truss system. Built for professional use, it fits perfectly into the Rigging Case and complements its rugged design.

#### **Special features:**

---

- Holds 24 spigots and 48 pins in individual slots
- Fits Rigging Case
- Provides instant visual overview to identify missing parts
- Saves time and hassle
