For 96 pins

**SHOW
GEAR**

EAN: 8717748609687

The Showgear Rigging Case Top Insert for Pins is designed to hold up to 96 pins, offering a clear and organised solution for rigging setups. It gives you an instant visual overview and makes it easy to spot missing parts before heading out or during teardown. By streamlining your workflow and reducing the risk of forgotten items, this insert saves valuable time and prevents frustration when building or dismantling a truss system. Built for professional use, it fits perfectly into the Rigging Case and complements its rugged design.

Special features:

- Holds up to 96 pins in individual slots
- Fits Rigging Case
- Provides instant visual overview to identify missing parts
- Saves time and hassle
