# SPECTRA CYC 100

The Spectra Cyc is a 100 Watt cyclorama/wall wash luminaire utilizing high output Luxeon Rebel LED emitters. Designed for theatrical and architectural applications, the Spectra Cyc blends color via a patented LED lens and reflector combination which reduces pixelization from direct view. The on-board power supply allows for direct power & data input which can be daisy chained through up to 20 units. Designed for use on 6'-8' centers, individual units can be linked side by side for greater saturation of light. The Spectra Cyc is compatible with both DMX and RDM protocols, and comes with a library of pre-programmed single colors and various color mixes. Units can be utilized for both floor and Sky-Cyc applications.

100 WATT
SPECTRA CYC 100
Features

- Available in 4 Standard LED color configurations: *RGBA, RGBW, 3K White or 3K-6K Tunable White[†]*.

- Convection Cooled

- Asymmetrical reflector designed for broad, even distribution

- On-board multi-voltage power supply 100-240VAC.

- Feed through power and data capabilities using powerCON and 5-pin XLR connectors.

- Compatible with DMX and RDM protocols.

- Push button addressing.

- Pre-programmed modes for fixed colors, timed color changes and strobes.

- 11 lbs.

- ETL & cETL listed.

- Made in the USA

BRINGING IMAGINATION TO LIGHT
Specifications:

Materials: Construction employs all corrosion-resistant materials and hardware.

Housing: Lightweight aluminum fabrication.

Light Engine: Luxeon Rebel LED's– 100 Watts Max at full RGBA

Reflector: Proprietary curve, specular aluminum

Rating: Multi-Voltage; 100-240 volt AC operation

Data Ports: 1 Male & 1 Female flush mount 5-Pin XLR

Power Cable: 5' total length powerCON in and standard connector.

AC Out: Flush mount powerCON for feed thru power to other Spectra Cyc units only. Max 20 Spectra Cyc's per power daisy chain

Finish: Black, White or Silver TGIC polyester, electrostatic application.
Custom colors available

Weight: Approx. 11 lbs. (4.99 kg)

Note: C-Clamp is not included with the fixture and must be ordered in addition.

Accessories:

Model Number	
SC-36-BK	Black Safety Cable (Included)
510	Malleable Iron Pipe Clamp (2 lbs.)
FT	Black Floor Trunion, Pair
SS-CYC-SHIELD	Spectra Series LED Cyc Safety Shield
SS-CYC-LINK-*	Spectra Series LED Cyc Link Plates with Hardware
SS-CYC100-CF-*	100-Watt Spectra Series LED Cyc Color Frame
SS-CYC100-YOKE*	Spectra Cyc 100 Yoke with Hardware for 1 Fixture (does NOT include C-clamp.)

*Add the following code for finish: -B, -W, -S
