Warning

The screen must be completely fold in the box to lock the latch, otherwise the curtain will be damaged

Caution

In order to improve the use effect of the product, the screen surface has been specially processed, if the screen surface is dirty, it will affect the use effect.

1. Do not touch the screen surface with dirty hands to avoid fouling the screen.
2. Do not lend the screen with sharp objects to avoid scratches.
3. Please wipe the dust and stains on the curtain with dry soft cloth or water. Do not use chemical reagents such as gasoline to wipe.
